Stewardship During Social Distancing- Online Giving

We know that supporting St. Luke is important to you. Our work supporting members and our community will not stop because of this public health challenge. The need is even greater. Make offerings online until you can safely gather again! Throughout the year, many of you already support the congregation with your time, talent and financial contributions. But greater participation is always welcome. We encourage you to consider our electronic giving program. We accept donations made from your bank account and credit card or debit cards. It takes just a few minutes to set up a one time or recurring giving plan. To learn more, visit the church website [www.stludedixhills.org] and click the giving link at the top. We thank you for supporting our mission!
