St. Luke Summer Softball Needs Players!

Every year St. Luke has a softball team to play in the Lutheran Churches Summer League. We have been losing some players due to relocating and the like. We need to know asap if we will have enough players to commit to the league this year. Games take place on Sunday afternoons and evenings at Babylon Town Hall Fields on Sunrise Highway.

If you love softball and getting to know your fellow St. Luke members in a fun recreational setting, then please sign up! Friends of members are also welcome. The more players we have the better! Don't wait to sign on! We really need to know who is playing this year right now.

Stewardship During Social Distancing- Online Giving

We know that supporting St. Luke is important to you. Our work supporting members and our community will not stop because of this public health challenge. The need is even greater. Make offerings online until you can safely gather again! Throughout the year, many of you already support the congregation with your time, talent and financial contributions. But greater participation is always welcome. We encourage you to consider our electronic giving program. We accept donations made from your bank account and credit card or debit cards. It takes just a few minutes to set up a one time or recurring giving plan. To learn more, visit the church website [www.stludedixhills.org] and click the giving link at the top. We thank you for supporting our mission!
