(Please pray with me. You can say this out loud or to yourself. Then complete the People response)

L; Dear God, help me to run to you when I have problems I can't deal with. Help me to trust in your love when I can't see positivity. Help me to know I am never alone, and that you are always there for me. You are always bigger than my biggest problems and I am thankful for that. Amen.

L: Go in peace, serve the Lord.
