*(Please pray with me. You can say this out loud or to yourself. Then complete the People response)*

L: Holy God, we come to you in confusion and sorrow at the level of hate that fills our world. The powers of evil are so close and so quick to grip us. We are helpless without you Jesus. Show mercy on both victims and perpetrators of war and evil, that they may know the things that make for peace. Empower us called by your name to live our lives, shape our words, and make choices following your example. In Jesus’ name we pray, amen!

L: Go in peace, serve the Lord.
