(Please pray with me. You can say this out loud or to yourself. Then complete the People response)

L: Dear God, sometimes it seems like I'm full, but not empty. Maybe I'm not eating the right stuff. The world calls out for me to fill my ego with empty calories. Please don't let them fool me. Feed me with the good stuff-the bread of life. Fill me with the things that will satisfy my hungry heart. Then send me out to share your living bread with others who are empty, Amen.

L: Go in peace, serve the Lord.
