Dear Sunday School Parents and Children,

*Rally/Unity Day is
September 13th
10:45 Worship
Followed by Fellowship Picnic
Sunday School Classes Begin
September 20th*

We pray that you are having a wonderful summer – filled with time for relaxation and family. As we look ahead to September, and the beginning of a new school year, we do so with great excitement and joy. If we haven't seen you much over the summer months, we encourage you to make a new beginning this fall by joining us for worship.

For many years, St. Luke has been committed to the worthy and vital task of transforming the lives of God's precious lambs by connecting them to Jesus and His church. We are an extension of your family and of the baptismal covenant you made when your children came through the waters of Holy Baptism. We at St. Luke value this partnership in the Gospel and look forward to another great year of learning about God's love for us, our love for the Lord and for each other.

On September 13, we will kick off our new year with a Rally/Unity Sunday celebration. We hope you can join us for worship that day at 10:45 am, and for a time of celebration immediately following the service. Our celebration will include a barbecue, games for the children and live music on the hill lead by "The Gathering Band". If you are able, please bring a side dish or dessert to share that day.

On September 20, our Sunday School classes will be in full swing. Each week we will begin our time together in the sanctuary at 9:00 am for worship. Following the children's message, the children will be released to the education building for a time of instruction and activities. Parents are invited to remain for worship during that time.

We also offer opportunity for adult study each Sunday. This takes place at 8:00 am and 9:15 am. The 9:15 option allows families to worship together at the 10:45 am service, following the Sunday school instruction.

As we begin making plans for our new year, we ask that you take a few minutes now to fill out the enclosed registration form which helps us to make sure that we have the correct information for your family (**please remember to include your email as we will be using email for important time sensitive announcements and updates throughout the year**). Additionally, we want to make sure we have the correct amount of materials. The suggested donation to cover material cost this year will be \$30 per student.

I look forward to greeting you at worship.

Peace, Joy and Love,

Rev. Dr. Roy W. Minnix, Pastor
